The assessments levied by the Association shall be used for the purpose of promoting the general benefit, recreation, health, safety and welfare of the residents in SPRING CREEK. (b) The maximum annual assessment may be increased each year, without a vote of the Members, not more than ten (10%) percent above the maximum assessment established for the previous year except that in the event that the annual assessment is not sufficient to pay for the maintenance, taxes and insurance on the common area, an additional annual assessment will be made solely for the purpose of paying for the maintenance, taxes and insurance on the common area.

Section 4: Special Assessment for Capital Improvements. In addition to the annual assessments in Section 3 above, the Association may levy, in any assessment year, a special assessment applicable to that year and to such succeeding years as may be deemed reasonably necessary, for the purpose of making a capital improvement upon the Common Area or for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto. The first annual assessment shall be prorated according to the number of days remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Lot. Written notice of the annual assessment shall be sent to every Owner and Builder subject thereto at least thirty (30) days in advance of each annual assessment period. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 6: Effect of Nonpayment of Assessments; Remedies of the Association. Each Owner shall be deemed to covenant and agree to pay to the Association the assessments provided for herein, and each agrees to the enforcement of the assessments in the manner herein specified. any other relief or remedy obtained against said Owner, Builder, or Member. In the event of a default in payment of any such assessment when due, the assessment shall be deemed delinquent, and shall bear interest at the rate of eighteen (18%) percent per annum, and in addition to any other remedies herein or by law provided, the Association may enforce each such obligation in any manner provided by law or in equity, or, without any limitation by the foregoing, by either or both of the following procedures.

(a) Enforcement by Suit. The Board may cause a suit at law to be commenced and maintained in the name of the Association against any Builder, Owner or Member to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the rate of eighteen (18%) percent per annum from the date of delinquency, court costs, and reasonable attorneys' fees in such amount as the court may adjudge against the delinquent Builder, Owner, or Member.

(b) Enforcement by Lien. At any time within ninety (90) days after the occurrence of any default in the payment of any such assessment, the Association or any authorized representative, may but shall not be required to make a written demand for payment to the defaulting Owner, on behalf of the Association. Said demand shall state the date and the amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim or lien. If such delinquency is not paid within ten (10) days after delivery of such demand, or even without such a written demand being made, the Association may elect to file such a claim or lien on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, and shall contain substantially the following information:

- (a) The name of the delinquent Owner;
- (b) The legal description and street address of the lot against which claim of lien is made;
- (c) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs, and reasonable attorneys' fees;
- (d) That the claim of lien is made by the Association

pursuant to the SPRING CREEK Restrictions; and

- (e) That a lien is claimed against said Lot in an amount equal to the amount stated.

Upon (1) recordation of a duly executed original or copy of such a claim of lien, and (2) mailing a copy thereof to said Owner, the lien claimed thereon shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such Assessment was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof, except only tax liens for real property taxes on any Lot, assessment on any Lot in favor of any municipal or other governmental assessing unit, and the liens which are hereinafter specifically described in Section 7. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a trust deed, with a power of sale, as set forth by the laws of the State of Missouri, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of the Members. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey any such Lot. In the event such foreclosure is by action in court, reasonable attorneys' fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each Owner, by becoming an Owner in SPRING CREEK, hereby expressly waives any objection to the enforcement and foreclosure of this lien in this manner.

Section 7: Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

No structure, residence, accessory building, tennis court, swimming pool, fence, mailbox, wall, lot drainage works, exterior area lighting or other improvements shall be constructed or maintained upon any Lot, and no alteration to the exterior of a structure shall be undertaken, unless complete plans, specifications and plot plans therefor showing the exterior design, height, building material and color scheme thereof, the location of the structure on the Lot plotted horizontally and vertically, the location of driveways and fencing, shall have been submitted to and approved in writing by the Architectural Committee. Upon the written request of any Owner, the Board shall conclusively determine, in its sole and absolute discretion, whether, for the purpose of this paragraph, a particular animal is a generally recognized house pet, or a nuisance, or whether the number of animals on any such property is reasonable. Any decision rendered by the Board shall be enforceable as other restrictions contained herein. Pets shall not be allowed loose or unsupervised on any part of the Properties and walking of pets shall be allowed only on such portions of the properties as the Board may prescribe by its Rules and Regulations.

PROVIDED, HOWEVER, that the Developer or Builder shall have the continuing right to maintain a field sales office and administrative offices in mobile trailers or other approved structures for so long as the Association shall deem it necessary on any Lot or the Common Area of SPRING CREEK, and no Owner shall have standing to object to the maintenance or location of such office. Section 9: Maintenance of Lawns and Plantings.

(a) By Owner. Each Owner of a Lot within SPRING CREEK shall keep all shrubs, trees, grass and plantings, including the area located between the boundary line of his property and the street on which such Owner's property abuts, neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material. In the event that any Owner fails to maintain his lawn or plantings as provided herein, the Association, or its agents, may enter upon said Lot and may do so, and the Owner shall reimburse the Association for its costs, upon demand. (b) By the Association. The Association, and its agents, shall have the right, at any time, to plant, replace, maintain, and cultivate shrubs, trees, grass and plantings on the Common

Section 10: Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot within SPRING CREEK, and no odors shall be permitted to arise therefrom so as to render any such Lot or any portion thereof, unsanitary, unsightly, offensive or detrimental to any other Lot in the vicinity thereof or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any such property. The Board in its sole discretion shall have the right to determine the existence of any such nuisance and for the purposes of this Declaration such determination shall be conclusive.

Section 15: Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot within SPRING CREEK except such machinery or equipment as is usual and customary in connection with the use, maintenance or construction of the improvements on

such lot, and except that which Developer or the Association may reacquire for the operation and maintenance of the Common Area.

Section 16: Restriction on Further Subdivision. No Lot within SPRING CREEK shall be further subdivided or separated into smaller Lots or parcels by any Owner, and no portion less than all of any such Lot, nor any easement or other interest therein, shall be conveyed or transferred by an Owner without the prior written approval of the Board. This provision shall not, in any way, limit Developer from subdividing or separating into smaller Lots or parcels any property owned by Developer. Moreover, this provision shall not prevent conveyances which combine in common ownership Lots or parts of Lots in such a manner that each of the parcels of land thereby resulting has an area the same or greater than the area of any of the Lots from which the new Lots were created. Such newly created parcel thereafter shall be considered as one Lot, except as provided, however, subject to the provisions of these restrictions, an owner of each Lot as originally shown on the plat shall be entitled to that number of votes and shall be subject to assessments attributable to each full Lot owned as originally shown on the plat. No portion of a single-family residence Lot less than the entire Lot, together with the improvements thereon, may be rented, and then only to a single family.

Section 17: Signs. No sign of any kind shall be displayed to the public view of any Lot except:

(b) Signs used by a builder to advertise the property during the construction and sales period;

(c) Signs of such shape, size and location as the Developer deems necessary for security control and to advertise the project;

(d) One Sign, not to exceed one (1) square foot in size, which may contain the name or names of the Owner or Owners and/or the dwelling unit number;

(e) Signs of such shape, size and location as the Architectural Committee may approve displaying the name of any multi-family residence or structure.

Section 18: Dwelling Size. The Architectural Committee shall exercise its best judgment to see that all structures, as to size, conform to and harmonize with the existing surroundings and structures.

Section 19: Building Location.

(a) No building shall be located nearer to any lot line than

the minimum set back line shown on the recorded plat of SPRING CREEK.

(b) The building location must be approved by the Architectural Committee.

Section 20: Fences.

(a) Fences are not encouraged, but properly constructed and installed fences may be approved for construction by the Architectural Committee upon submission of plans and specifications.

(b) Chain link fences are not permitted, except for the tennis courts in the Common Area.

(c) Privacy fences may not exceed forty-eight (48) inches in height and may not be used on any boundary line between any Lot and any Common Area.

(d) No fences in SPRING CREEK shall extend nearer to the front wall of house than fifty (50) percent of the distance between the rear wall of the house on each side to the front wall of the house on each side. Supporting structures on all fences shall be placed on the side of the fence facing the property of the owner building the fence. On corner lots the fence may extend from the house toward the street a maximum of five (5) feet.

(e) No fence or hedge shall be permitted between the front wall of the structure and the adjoining street or across the front yard.

(f) On Lots, the back of which abuts a Common Area, no fence shall extend closer to the boundary line between the Lot and Common Area than fifty (50%) percent of the distance between the back wall of the house and said boundary line.

(g) On Lots, the side or sides of which abut a Common Area, no fence shall extend more than five (5) feet from the side wall of the house.

Section 21: Party Walls. The rights and duties of the Owners of units within this development with respect to party walls shall be governed by the following:

(a) Each wall, including patio walls, which is constructed as part of the original construction of any structure, any part of which is placed on the dividing line between separate units, shall constitute a party wall. With respect to any such wall, each of the adjoining Owners shall assume the burdens and be entitled to the benefits of these restrictive covenants and, to the extent not inconsistent herewith, the general rules of law regarding party walls shall be applied thereto.

(b) In the event any such party wall is damaged or destroyed through the act of one (1) adjoining Owner, or any of his guests, tenants, licensees, agents or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining Owner of the full use and enjoyment of such wall, then the first of such Owners shall forthwith proceed to rebuild and repair the same and to put such damaged party wall into the condition it was formerly, without cost to the adjoining Owner.

(c) In the event any such party wall is damaged or destroyed due to ordinary wear-and-tear and deterioration from lapse of time, or by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, guests or family, then in such event both such adjoining Owners shall proceed forthwith to rebuild or repair the same and put the party wall in such condition as it was formerly at their joint and equal expense.

(d) Notwithstanding any other provision of this section, any Owner who by his negligent or willful act causes any party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 26: Basketball Goals. No basketball goals shall be attached to the front of any dwelling or garage nor erected in any front yard or on the side of any street which abuts any corner lot.

Section 27: Outside Lighting. Spotlights, floodlights, or similar type high intensity lighting shall be designed, located and constructed so as to eliminate or significantly reduce glare on adjoining residences, and the Architectural Committee may direct that they be redesigned or eliminated if they determine that it is advisable. Other types of low intensity lighting which do not disturb the Owners or other occupants of the properties may be allowed.

Section 28: Mailboxes. Each Owner shall construct a mailbox which shall be completed prior to occupying the residence. The mailbox shall be of the design, materials and specifications approved by the Architectural Committee.

Said Notice of Violation shall set forth the nature of the alleged violation and shall request that the violation be voluntarily terminated and remedied within a reasonable time from the mailing date of said Notice.

If, after a reasonable time has lapsed from the date of said Notice, the violation has not been voluntarily terminated by the Owner, the Board shall have the authority to pursue and effect any and all procedures which may be calculated as reasonably necessary to remove and/or terminate the cause of said violation. This authority shall include, but shall not be limited to, the power to employ laborers to enter upon the premises of said Owner for the purpose of removing and/or terminating the cause of said violation. If, by virtue of the exercise of the authority granted herein, the Board shall incur expenses in connection with the process of removing and/or

terminating said violation, the collection of said expenses so incurred may be effected in the manner provided in Article VI for the collection and enforcement of assessments.

For purposes of administering this Section, the determination of whether a violation has been, or is being, committed and the determination of what time period constitutes a "reasonable time" allowable for voluntary termination of the same, shall be made by the Board after taking into consideration the facts and circumstances surrounding the particular violative situation, condition or occurrence.

(f) The Board shall be the sole judge as to the appropriate maintenance of all grounds within the Common Area.

Section 2: Damage or Destruction of Common Area by Owners. In the event any Common Area wilfully or maliciously is damaged or destroyed by an Owner or any of his guests, tenants, licensees, agents or members of his family, such Owner does hereby authorize the Association to repair said damaged area, and the Association, at its option, shall so repair said damaged area. The cost for such repairs shall be paid by said Owner, upon demand, to the Association and the Association may enforce collection of same in the same manner as provided elsewhere in

this Declaration for collection and enforcement of assessments.
